

MONTAGUE LORD - CURRICULUM VITAE - 2020

1. Proposed Position:

2. **First names:** Montague J. Lord

3. **Residence:** 1717-20th St, NW, Apt 201, Washington, DC 20009, United States

4. **Date of birth:** 04 May 1946

5. **Citizenship:** United States and Spain

6. Education

Institution	Degree
University of Texas at Austin, Texas USA (1979)	PhD, Economics
London School of Economics, London UK (1981-82)	Postdoctoral studies and fellow
Oxford University, Oxford UK (1981-82)	Postdoctoral studies and fellow
George Washington University, Washington DC USA (1983-84)	Postdoctoral studies
University of Massachusetts, MA USA (1968-69)	Graduate studies (Econ)
John Carroll University, Ohio USA (1968)	BS, Economics

7. Language skills

Competence on a scale of 1 to 5 (1 - excellent; 5 - basic)

Language	Reading	Speaking	Writing
English (mother tongue)	1	1	1
Spanish (mother tongue)	1	1	2

8. Membership of professional bodies:

Royal Economic Society, American Economic Association, Econometric Society

9. Other skills

Mathematical modeling; statistical methods; spreadsheet data analysis; econometric and CGE models.

10. Present position

Independent consultant, Bangkok, Thailand; Washington, DC, USA; and Barcelona, Spain.

11. Key qualifications

- Economist, 40 years of experience in applied economic policy research and analysis in the fields of Trade and Private Sector Policy and Development (TPSD); project economic analysis; pro-poor growth; inclusive trade development strategies; fragile states; small island developing states; natural disaster vulnerability and global challenges; pro-poor tourism; Sustainable Development Goals; green economy; sustainable value chains; public-private partnerships; SME engagement; Aid-for-Trade; trade development methodologies and diagnostic analysis frameworks; results indicators and logical framework; monitoring and evaluation; inclusive agriculture and natural resource development; macroeconomic aspects on pro-poor trade and development; case studies of marginalized social groups.
- In-depth familiarity with private sector development strategies and applications, border economic zones, inclusive development issues related to poor and marginalized social segments, public-private partnerships, regional and global value chains, business development services and their sustainable financing, and corridor and subregional trade and investment strategies targeting underdeveloped regions.
